HERO MOTOCORP MAKES UPWARD REVISION IN PRICES OF ITS PRODUCTS

Hero MotoCorp, the world's largest two-wheeler manufacturer, has made an upward revision in the ex-showroom prices of its motorcycles and scooters, with immediate effect.

The upward revision in the prices has been done to partially off-set the consistently rising input costs, including the prices of commodities.

The increase in the prices of the two-wheelers is up to Rs. 625.

The exact quantum of the increase will vary, basis the model and the specific market.
